About Cancun
Cancun is nestled between the vibrant Caribbean Sea and the tranquil waters of the Nichupté Lagoon. Exotic fauna and wildlife are steps away from all hotels. Relax by the water or go snorkeling or windsurfing, visit the many Mayan ruins or spend an afternoon shopping at the flea market or many of the top of the line boutiques. Nightlife is abundant and Cancun offers a variety of dining options. Plan to bring the entire family and enjoy a piece of paradise.

Cancun is Mexico’s leading destination with its Caribbean turquoise water and pristine beaches

Home to Ancient Mayan civilization with incredible archeological sites such as Chichen-Itza, Tulum, Coba, Akumal and Ruinas del Rey

Wide range of activities and ecological parks such as Xcaret, Xelha, Tres Rios with cenotes, lagoons, dolphins, tropical forest, beaches, coral reefs and much more

Easy access from around the world. All major carriers such as Continental, Mexicana, United, British Airways, Delta, US Air, and KLM, land at the Cancun International Airport

CALL FOR ABSTRACTS

Share the results of your research and contribute to the excellence of this congress by submitting abstracts of your work to the official IPTA abstract collection site: www.IPTAonline.org

Abstract Receipt Deadline: Friday, October 13, 2006

MARCH 17 - 21, 2007
GRAN MELIÁ CANCÚN CANCÚN, MEXICO

International Pediatric Transplant Association
15000 Commerce Parkway
Suite C
Mt. Laurel, NJ 08054 USA

March 17-21, 2007
Cancun, Mexico
Who Should Attend
This meeting is designed for physicians, surgeons, and transplant professionals* who are interested in the clinical and research aspects for pediatric solid organ, tissue, and bone marrow/stem cell transplantation. A variety of formats are planned that will encourage the exchange of new scientific and clinical information and support an interchange of opinions regarding care and management issues, as well as socioeconomic, ethical, and regulatory issues relevant to organ and tissue transplantation in children.

Travel Awards
The IPTA will grant a limited number of travel awards to trainees, fellows, and transplant professionals* who are involved in a program in which an IPTA member is associated. Awardees will be selected from the pool of eligible applicants based upon the abstract’s degree of excellence as determined by the Planning Committee. If your abstract is among the top selected, you will be awarded a $1,000 travel grant. To apply for these awards, please check the appropriate area in the submission program. The award recipient must present the paper and be listed as the corresponding author. Trainees must include a signed certification with their abstract.

IPTA Abstract Process
The IPTA makes submitting your abstract easy and fast. Simply type your abstract online and submit it through the Web. You can access the online abstract program at www.IPTAonline.org.

Submitting an abstract to the 4th Congress of the International Pediatric Transplant Association means that it will be peer reviewed and may be accepted for an oral presentation or poster presentation. All abstracts will be published in Pediatric Transplantation, the official congress program, and online through the IPTA website.

- You may submit as many abstracts as you want. IPTA welcomes recently published materials and or abstracts previously submitted to other national or international meetings.
- There are no paper submissions. If you cannot submit electronically, please contact Marathon Multimedia for possible alternatives.

No submissions will be accepted after October 13, 2006; 11:59 p.m. U.S. Central Standard Time.

For abstract questions, please call, e-mail, or write:
